Utmost Corporate Solutions

Our employee benefits business line will operate under Utmost Corporate Solutions, a new brand created for this market.

We have a different name but we remain the same company with the same team, the same products and the same financial strength.

We continue to be an Irish company, regulated in Ireland, and with sales, claims and operations based in Ireland.

We also continue to be the Generali Employee Benefits (GEB) Network partner for Ireland and for all multinational companies (MNCs) and captive clients. We also remain the GEB Network partner for Pan-European MNC schemes.

Generali is working closely with the Utmost team to ensure a smooth transition of ownership with no impact on the service we provide to our clients.
